Environmental Statement

Dewi Development Ltd recognises the impact business and human behaviour is having on the environment and is committed to reducing this impact. Dewi Development Ltd recognise the importance of complying with environmental legislation, regulations and appropriate codes of practise, but importantly it's ethical duty to support the environment for future generations.

This policy statement applies to all activities of Dewi Development Ltd and it is expected to be implemented by all its employees and contractors. Dewi Development will take all reasonably practical measures to maintain and improve its environmental performance with the aim to:

- Regularly review environmental impact of activities
- Involve staff in environmental policy, supporting their development in their understanding of environmental impact and how they can support reducing the impact
- Work with suppliers that are implementing environmental best practise
- Advocate with customers to implement effective environmental policies and work with environmentally ethical suppliers

Management

- Provide a commitment to an environmentally sustainable way of working
- Provide training relevant to environmental sustainability
- Monitor environmental impact
- Partner with environmentally sustainable suppliers

Employees/Contractors

- Work in environmentally sustainable way
- Follow company policies on working sustainably
- Advocate with customers environmentally sustainable ways of working
- Highlight to management on environmental improvements
- Report any concerns and record all environmental incidents accordingly
