

# FIRST AID - UNREGULATED

## First Aid at Work

## Requalification

This course covers the Health and Safety Executive's requirements for one or more first aiders in the workplace. The two-day course provides a refresher of all the skills achieved on the First Aid at Work course. The course reassesses lifesaving skills, including scene management, the unconscious patient, major bleeds, fractures and common medical conditions. Candidates must be in possession of an existing first aid at work certificate.

### INTENDED AUDIENCE

This course is suitable for individuals appointed as first aiders in the workplace, especially:

- ➔ Construction

**FROM JUST £63**

PER PERSON  
BASED ON 12

### PREREQUISITES

Candidates must have previously completed a First Aid at Work course and be able to show the certificate. The course must be started within a month of the certificate expiring. If the certificate has expired you are not recognised as a first aider at work.

### ASSESSMENT

We ensure candidates have reached the required standards through practical ongoing assessments throughout the day and by an end-of-day quiz.

### CERTIFICATION

Successful candidates will be issued with a First Aid at Work certificate from Dewi Development Ltd.

### LOCATION

We deliver the training course at a venue of your choosing. This can be a training room at your offices or a hired venue to give candidates space away from work. It will require:

- ✓ Room big enough for up to 12 people to sit in a horse shoe
- ✓ Tables for group work and assessments
- ✓ Projector and screen with computer connection, but we can arrange to provide this.

### CANDIDATE NEEDS

This course is open to all. If there are any learning or physical needs, these should be notified in advance of the course to see what reasonable adjustments can be made.
