

# FIRST AID - REGULATED

## Level 3 Award in Paediatric First Aid - blended learning

This course is delivered through e-learning and 1 day face-to-face training. It provides learners with a broad understanding of the first aid injuries and medical conditions a parent or guardian of a child may come across. The course has been specifically designed to meet the criteria set by the Department for Education's Early Years Foundation Stage (EYFS) and Ofsted/ESTYN.

### INTENDED AUDIENCE

This course is suitable for individuals working with children, especially those holding Level 2 or 3 in early years qualifications. It also relevant to:

- ➔ Primary School Teachers
- ➔ Childminders
- ➔ Nursery nurses
- ➔ Parents

### SYLLABUS

- ➔ Understanding the role and responsibilities of a paediatric first aider
- ➔ Being able to safely assess an emergency situation
- ➔ Being able to deal with someone unresponsive who is or isn't breathing
- ➔ Being able to deal with someone who is choking
- ➔ Being able to deal with someone with external bleeding and recognising shock
- ➔ Know how to deal with someone with bites, stings and minor injuries
- ➔ Being able to deal with someone with suspected injuries to bones, muscles and joints
- ➔ Being able to deal with someone with suspected head and spinal injuries
- ➔ Knowing how to deal with someone with conditions affecting the eyes, ears and nose
- ➔ Knowing how to deal with someone with an acute medical condition or sudden illness
- ➔ Knowing how to deal with someone who is experiencing extremes of body temperature
- ➔ Know how to deal with someone with burns and scalds
- ➔ Know how to deal with someone with suspected poisoning

### INCLUDED IN PRICE

The price includes:

- ✓ Awarding Body Certification
- ✓ Paediatric First Aid Made Easy book
- ✓ Access to First Aid equipment to practise all scenarios in pairs

### ITEMS TO BRING

All resources are provided for the course.

**Candidates will need photographic identification as part of the registration process with the Awarding Body.**

### PRE-COURSE

Candidates will need to complete 6-hours of interactive e-learning prior to attending the face-to-face session. Candidates who do not complete the e-learning will not be able to attend the face-to-face session as the practical's build on their knowledge.

### ASSESSMENT

As a regulated qualification there are assessments to ensure the candidates have reached the required standard. There is two multi-choice papers and 7 practical assessments which are built into the observations of the day.

### LOCATION

We deliver the training course at a venue of your choosing. This can be a training room at your offices or a hired venue to give candidates space away from work. It will require:

- ✓ Room big enough for up to 12 people to sit in a horse shoe
- ✓ Tables for group work and assessments
- ✓ Projector and screen with computer connection, but we can arrange to provide this.
