

First Aid at Work

This course covers the Health and Safety Executive's requirements for one or more first aiders in the workplace. The three-day course provides learners with comprehensive skills to deal with common first aid injuries at work and to keep someone safe until the emergency services arrive. The course covers lifesaving skills, including scene management, the unconscious patient, major bleeds, fractures and common medical conditions.

INTENDED AUDIENCE

This course is suitable for individuals appointed as first aiders in the workplace, especially:

- ➔ Construction
- ➔ Industrial sites
- ➔ Large sites
- ➔ Working in the community

CANDIDATE NEEDS

This course is open to all. If there are any learning or physical needs, these should be notified in advance of the course to see what reasonable adjustments can be made.

LOCATION

We deliver the training course at a venue of your choosing. This can be a training room at your offices or a hired venue to give candidates space away from work. It will require:

- ✓ Room big enough for up to 12 people to sit in a horse shoe
- ✓ Tables for group work and assessments
- ✓ Projector and screen with computer connection, but we can arrange to provide this.
